

Street Smart Summer Camp

An action-packed **8-day adventure** that empowers children with essential life skills. Building **confidence, independence and street smarts** through real-world experiences.

Welcome to the Street Smart Camp

Urban Explorers is an **8-day**, action-packed summer camp in Dubai, empowering children aged 10-18 with essential life skills.

Through hands-on activities, campers learn to navigate real-world spaces with confidence and street smarts, building lasting friendships.

Target Age:

10-18 years

Duration:

8 days (2 Weeks, Mon-Thurs)

Daily Timing:

10 am - 2 pm

Goals of the Camp

Build Confidence & Independence

Develop self-reliance and belief through real-world challenges.

Improve Teamwork & Collaboration

Foster social skills through team challenges.

Teach Personal Safety & Awareness

Equip children with safety skills and smart decision-making.

Introduce Budgeting & Decision-Making

Build financial literacy and critical thinking.

Cultivate Emotional Regulation

Learn to manage emotions in challenging situations.

Create Street-Smart, Tech-Aware Explorers

Prepare for the modern world with navigation and tech skills.

Week 1 Schedule: Day 1

Confidence Building & Team Bonding

Location: Dubai Camp Halls

- Ice-breaker activities designed to help campers feel safe, welcome and included
- Team-building games emphasizing trust and communication
- **Escape Room Challenge** where teams race to solve themed puzzles

Week 1 Schedule: Day 2

Personal Safety & Situational Awareness

Location: Malls in Dubai/Sharjah

Urban Explorer Challenge

Teams complete supervised "**missions**" in the mall: observation, navigation, asking for help politely, and sticking together.

Basic Self Defence Workshop

Practical, age-appropriate moves for safety and confidence in various situations.

Week 1 Schedule: Day 3

Decision-Making & Emotional Regulation

Location: Grocery Store/Mall + Indoor Hall

Stranded Survival Marketplace Challenge

- Teams recreate the **desert island scenario!**
- Focus on decision-making, negotiation, communication, and emotional regulation.

Mini Emotional Regulation Workshop

- Learn to recognize emotions, manage reactions, and support teammates.

Week 1 Schedule: Day 4

Teamwork & Collaboration Challenge

Location: Indoor Hall/Classroom

- Ice-breaker to create new teams and foster fresh connections.
- **Surprise Challenge:** Gain collaboration, communication and problem-solving skills through our challenge. Details to be revealed on the day!
- Focus on collaboration, planning, and celebrating creative solutions

The Challenge teaches important lessons about planning, resource management, and working together under time constraints.

Week 2 Schedule: Day 5

Intro to Modern AI Tools & Being Tech Safe

Location: Indoor Hall/Classroom

Demystifying AI

- What's AI (and what's not)?
- How AI tools can help us in daily life
- Staying safe and protecting privacy online

Role-Play Court

- Teams enact a "cyber-crime" scenario
- Prepare a "case" and argue if it's safe or not
- Build critical thinking about online risks

Week 2 Schedule: Day 6

Global Explorers Day

Location: Local outdoor market or multicultural district (or indoor venue)

Introduction: Around the world in one day!

Basic map reading session to prepare for exploration.

The Surprise Challenge!

Teams will participate in a mystery challenge designed to foster curiosity and interaction with the world around them. Details to be revealed on the day!

Skills Development

Builds social courage, respect, and curiosity about the world while practicing communication skills.

Week 2 Schedule: Day 7

Adventure Day – Street Smart Fun in the Real World!

Location: Fun trip – Ice rink

Real-World Application

Focus on independence, observation, and social skills in real settings where children can practice their newly acquired street smarts.

Observation Bingo

Each group receives a card with specific things to spot and discuss, promoting mindful awareness of surroundings and encouraging teamwork.

Week 2 Schedule: Day 8

Street Smart Graduation Day

Location: Indoor Hall/Classroom

Street Smart Quiz

Fun, interactive recap of everything learned throughout the camp experience.

Financial Literacy Workshop

Age-appropriate introduction to saving, spending wisely, and understanding money.

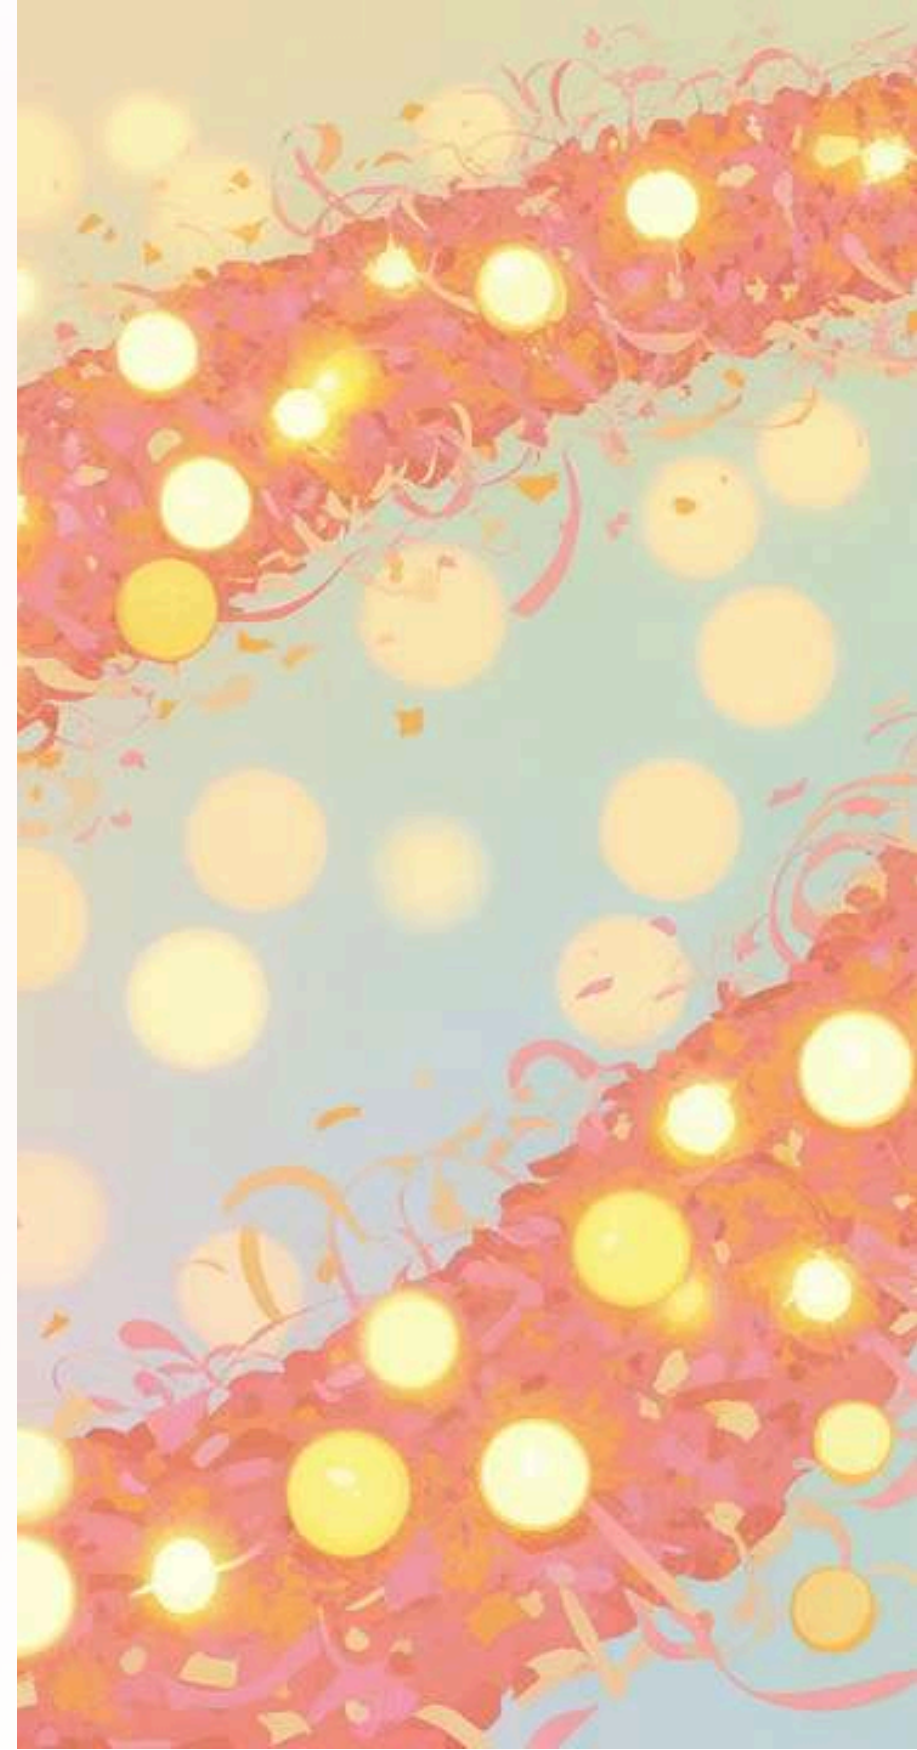

Creative Reflection Skit

Teams act out key lessons learned during the camp in entertaining performances.

Certificate Ceremony

Celebrate accomplishments in style with awards and recognition!

Why Choose Urban Explorers?

Because the world is our classroom!

Real Locations

Authentic experiences in actual environments rather than simulated settings.

Fully Supervised

Comprehensive safety protocols with expert supervision at all times.

Practical Life Skills

Capabilities that translate directly to improved independence and confidence.

Fun & Memorable

Creating lasting memories while developing essential competencies.
